NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

ANOTHER WIN SUGGESTS BETTER TIMES

NORTH END'S team for the last home match was much changed, for a variety of reasons compared with the side fielded against Blackpool in the opening game. Patrick and Smith were the backs, Temple and Lyall the inside forwards, and Spavin, who had been on the injured list, came in at right half.

Ross, who is seldom an absentee, was ill, and Ritchie had not recovered from injury. Lawton and Godfrey, who played in the first match, have been transferred along with Greenhalgh in the recent comings and goings, which also resulted in the acquisition of inside forward Derek Temple from Everton.

There were so many bumps and bruises in our last away match with Plymouth that one or two other changes might have been necessary. As it was, Kelly and Spavin felt the effects of their recent injuries. In the circumstances it was gratifying to see our timely success at Plymouth followed by another good win.

Those of our Saturday afternoon supporters who have been starved of goals, unless they saw the Reserves get seven against Sheffield Wednesday Reserves, had the satisfaction of applauding two by Hannigan and one by Lyall, without reply from Cardiff City. It was a welcome change for one season ticket holder whose previous rations this season had been 0-2, 0-0, 0-2, and (Reserves) 0-1 and 0-1.

The team played with a willing spirit in difficult conditions without quite finding the form which some of them are capable of showing, and it was heartening to hear cheers instead of jeers (which never do any team any good). It is also refreshing to find

CLUB NOTES—*continued*

North End now being regarded as promotion candidates again instead of (so early in the season, and with six points from eight matches) as likely to land in the Third Division if not, eventually, lower !

It is surprising what a difference a couple of good wins can make to the mood of fans, well-wishers and critics.

We have yet to see a post-war home game with Cardiff without a goal. Our record in these matches is P14, W7, D3, L4, Goals—F45, A17, Pts. 17. The aggregate of 62 goals averages virtually 4.5.

Our good wishes are extended to Godfrey and Greenhalgh with the hope that these two Brians find a change of scene beneficial. Together they have joined a famous club at present in the doldrums but fighting back. It may be significant that Godfrey, for so long without a first team goal, scored on his debut for Aston Villa at Middlesbrough.

Another taste of success would be welcomed by North End Reserves who were at Bramall Lane, Sheffield to-day, after not having had a win in their previous five matches. These resulted in three defeats and two draws ; disappointing for the youngsters after their splendid start of four successive wins by a total of 16 goals to three, but partly understandable because the rhythm of the team had been disturbed by numerous unavoidable changes.

Our visitors to-day, Hull City, are striving to recover from a slump which has resulted in six defeats and three draws (eight goals to 24) since they beat Carlisle by 1-0 in their opening match at home. They rallied from a home defeat by Middlesbrough on September 23rd to draw 3-3 at Bristol last Saturday.

OUR VISITORS—*Hull City*

A HEARTY welcome is extended to Hull City, not least because of the association with them of our former manager, Mr. Cliff Britton, whose five seasons here left him with mixed feelings : the club in successive seasons set up record totals of First Division points for North End, 56 and 59 (aggregates frequently high enough to win the League title, but not in these years), and later it was his misfortune to be in charge when the team suffered relegation.

Mr. Britton, who has a 10-years' contract with Hull City, also has experienced ups and downs with the fourth League club in his care, those preceding his move to Preston being Everton and Burnley. He saw promotion from the Third Division achieved two seasons ago after six years in that company, and until Christmas last season his club figured prominently among candidates for Division One.

The new year brought a sharp decline in his side's fortunes, with the result that Hull finished heading the lower half of the table, one rung above North End, both getting 39 points, and this slump has yet to be overcome.

Formed as an amateur club in 1902-03, Hull turned professional two years later and were elected to Division Two of the Football League in 1905-06, staying there until 1930, when the team dropped into Division Three (North). Promotion was gained as champions after three seasons, but Hull held their restored status for only three years.

Their next spell in the Northern Section was longer, lasting until 1949, when the club went up with a championship winning total of 65 points. This time Hull were in Division Two for seven seasons, but the see-saw continued, relegated 1956, promoted 1959, relegated 1960, promoted again as champions 1966.

OUR VISITORS—*continued from page 9*

Thus Hull City have never been in the First Division, but nearly were in 1910. They finished third to Oldham Athletic, being beaten to a promotion place on goal ratio by .286.

In the F.A. Cup, however, the "Tigers" have a reputation as doughty fighters. They were semi-finalists in 1929-30, and in the sixth round in seasons 1948-9 and 1965-6.

In 1920-21 Hull City pulled off a great 3-0 Cup win against Burnley, who had been undefeated since September. It was Burnley's only defeat in 31 matches from September 6th, 1920 to March 25th, 1921.

During the war the Anlaby Road ground was destroyed by enemy air attacks. As a result Hull's present "home," Boothferry Park was acquired.

BOOTHBERRY PARK

Many structural and other improvements have reduced its capacity from 52,000 to 42,000, but seats now exceed 9,500 and there is covered accommodation for two-thirds of the crowd.

The floodlights — six 175-foot towers — are among the best in Europe, and Hull can claim practice pitches near the main ground and one of the finest indoor training centres in any league.

Facilities at Boothferry Park include its own railway station, Boothferry Park Halt. Spectators disembark at the club's turnstiles ! This progress has been recognised by the allocation of Under-23's International matches, Inter-League games and F.A Cup replays to Boothferry Park.

HULL CITY PLAYERS

Maurice Swan (*goalkeeper*). Former Eire International signed from Cardiff City June, 1963. Regular member of 1965/6 promotion side.

Norman Lees (*left back*). Born Newcastle. Signed full time in November, 1966, after starting as an apprentice. League debut against Crystal Palace last season.

Alan Jarvis (*right half*). Born Wrexham. Welsh International with three caps last season. Joined Hull City in summer of 1964. Formerly with Everton.

Raymond Pettit (*centre half*). Another local youngster who has been pivot in first and second teams. Signed full time after service as an amateur and an apprentice professional.

Ron Young (*outside right*). Born Gateshead. Signed professional August, 1963. Winger who has appeared mainly at outside left.

Ken Wagstaff (*inside right*). Transferred from Mansfield Town November, 1964, and with Chilton has headed Hull's scoring sheet for the past three seasons. In 1965-66 set up Club scoring record of 31 goals.

Chris Chilton (*centre forward*). Has seven seasons of local football behind him. Much taked about since scoring 17 goals last season in 37 League matches. A really industrious player, was born at Sproatley, near Hull.

Ken Houghton (*inside left*). Another scoring forward who was signed from Rotherham United in January, 1965. Proved his class in scoring nine goals in 20 League matches last term.

Ian Butler (*outside left*). With Rotherham United until January, 1965. A wing forward with great ball control, he scored eight goals in 31 League appearances last season.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will AVOID BEING PROSECUTED for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
